# SUMMER CAMP PROGRAM

- ▲ English / Business / IT
- ▲ International Cultural Exchange
- ▲ Cultural Tours

“

**Every day is a best memory, it's a new place and we have to adapt but over the time, it was something I would really look forward to come again and experience it.**

— **Navin Prasad** Deakin University

**Intensive Training Course** provides a chance for students to experience something different. The students can pick what interests them most whether it is Business, IT or English. All courses are conducted in an interactive way with engaging supervisors and creative learning activities. The course includes 30 in-class training hours, and participants are expected to have fun with international classmates while enjoying learning new things.

## **International Cultural Exchange Activities**

are designed to allow students experience cultural diversity. These activities include cross-cultural exchange session and International cultural night where students can express their own identity and perspective.

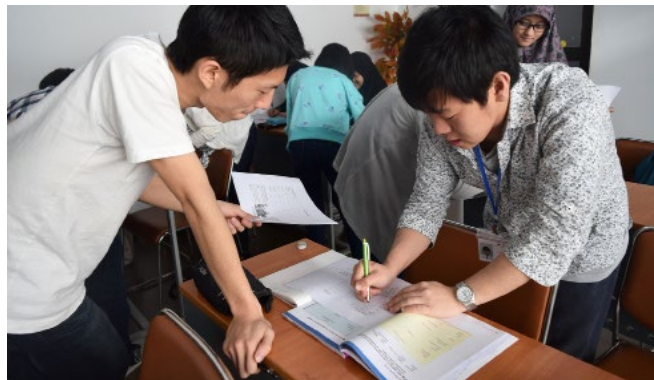

**Cultural Tours** include strong cultural excursions throughout the program such as talking with local experts in Da Nang field trip or cooking Vietnamese food on their own. The indoor and outdoor activities are aimed to provide the stunning cultural experience of a fast-growing region in South East Asia.

# TRAINING COURSE

FPT International Student Exchange Center (FISEC) may enable you to gain international experience through studying English, Business or IT. Students may have the possibility to learn about Vietnamese customs, traditions, culture and meet other participants from all around the world.

Total in-class training hour: **30 hours**  
3 hours/day including discussion, practicing & in-class assignments

Students can choose from 3 elective courses based on individual proficiency and interest:

## ENGLISH

**“Progress your English without any pressure”**

Inspiring globally-minded students, FISEC is offering specially designed intensive English Language course to help students meet their goals. Students are able to learn, practice and expand their knowledge with native English speakers everyday by doing academic success activities like classwork, one-on-one tutoring, group discussions and making international circle of friends.

## BUSINESS

**“Fighting of thought”**

With the rapid changes happening across every industry, this course helps students to develop an entrepreneurial mindset which will prepare them to set up their own business and for the future of work. Students are able to pitch their business model ideas to increase their chances of success no matter what profession they choose.

## IT

**“Create your own IoT product”**

Today everything is about technology and the biggest part of studying IT is practical. Students taking this course won't just learn the theoretical part of IoT but also get the opportunity to build a do-it-yourself IoT device. With this, students can adjust things and implement what they have learned.

### Courses open for

- ▲ International communicator
- ▲ Future IT expert
- ▲ Promising young entrepreneurs

# INTERNATIONAL CULTURAL EXCHANGE ACTIVITIES

*Everyday is an exploration of new activities as students take part in a wide variety of both indoor and outdoor activities*

## CULTURAL TOURS

**Da Nang city**, the most liveable city in Viet Nam, will provide students wonderful chances to enjoy the beaches, local museums, shopping streets, famous Pagoda, beautiful bridges and delicious local foods.

Students may walk or cycle around the **Hoi An Ancient Town** to see the well-preserved town that hosts traditional Vietnamese, Japanese, Chinese and French buildings as well as ornate Buddhist temples, traditional markets and interesting museums. Students will experience the life of pottery village residents for generations and learn to make pottery.

## COOKING CLASS

Students will gain valuable local insight into Vietnamese cuisine. Instructors guide students through a local market, demonstrate how to turn fresh ingredients into pleasing masterpieces before helping students cook it themselves. Vegetarians are welcome to join and menus can be altered to suit allergies and other diet restrictions (with advanced notice).

## BEACH GAME COMPETITION

Students will enjoy the exciting games on Da Nang beach.

## CAMPING

Camping is the chance for students to explore the beautiful nature of Viet Nam and develop the friendship with campmates by teambuilding activities.

## COMPANY/ LOCAL SCHOOL VISIT

Students can choose either to visit a start-up company in Da Nang to see the economic development of Viet Nam or to visit a local school to experience the local education system.

## INTER-CULTURE NIGHT

This is to bring both local and international students together to showcase their own culture such as performances, foods, clothes, games, etc. Highlighting the summer program, this event promises to be fun, exciting and an experience to remember for years to come.

## OPTIONAL TOURS

**Ba Na Hills, My Son Sanctuary, Hot Springs Park.**
